

NetSmartz Workshop

A program of the National Center for Missing and Exploited Children that creates interactive, educational safety resources for children ages 5 to 17. In addition to empowering children to make safer decisions online, NetSmartz also helps families, educators, and law enforcement officials to educate children about Internet safety.

Through age appropriate activities, games, videos, and safety presentations, NetSmartz prepares children to behave responsibly when confronted with issues such as:

- Cyberbullying
- Inappropriate content
- Online Exploitation
- Revealing too Much Information
- Sexting
- Scams

Ages 5-10

Introduces younger children to basic Internet safety concepts through interactions with 3-D animated characters Clicky, Nettie, and Webster.

Ages 8-17

Engages teens and tweens on issues such as cyberbullying and sharing too much information, cell phones, and social networking sites.
