

# **Vergennes Police Department**

## **Mission Statement**

The Vergennes Police Department is committed to excellence in the delivery of total quality police services and are responsive to the needs of our community. Our purpose is to have a police and community partnership, which seeks to improve the quality of life, solves community problems, and promote an environment which is safe and secure to all.

## **Their Vision**

The Vergennes Police Department maintains the highest standards of professional ethics and reliability. We are committed to the idea of community policing. Our pledge is to partner with the area businesses, schools, and the residential community with the goal of reducing crime and improving quality of life. It is our continued commitment and honor to provide professional service.
