

WomenSafe

WomenSafe works toward the elimination of physical, sexual and emotional violence against women and their children through direct service, education and social change.

WomenSafe serves people across the gender spectrum who experience sexual violence, domestic violence, dating violence and stalking.

Services Provided

Hot Line - Through a 24-hour hotline, we provide crisis intervention, problem-solving assistance, safety planning and emotional support. 338 4205 or 1 800 388 4205

Advocacy Services - We offer information and referrals to all community resources over the phone and in person.

Systems Advocacy – We work to change the multi-system barriers that support violence against women. Our goal is to create systems that support safety, dignity and wholeness in the lives of everyone in our community.

Underserved Communities Outreach - WomenSafe provides targeted outreach to the smaller, less populated towns throughout Addison County and Rochester.

Support Groups – for survivors of domestic and/or sexual violence

Supervised Visitation and Monitored Exchanges - provides increased safety for children and parents during supervised visitation and monitored exchanges. Services are provided by a trained monitor in a safe, impartial and child-friendly environment.
